DEDICATION

Grim 'Forty-four! In retrospect,
Thoughts of titanic strife,
Of Calibanian monster, War -
In lieu of sweet-lived life -
We find have reigned unrivaled here
In every anxious heart;
And, thus, our book from natural choice
Strives herewith to impart
The threads of life, of war and school,
Of mind and heart and soul,
As consummated through the year
Into a patterned whole.
And unpretentious though it is,
(Mere fruits of stolen time),
We dedicate our work to those
Of every coast and clime
Who in times past have loved and led
This blithsome life we lead,
The same who now serve, regimented,
A universal need.

THE COLLEGE

Lo, now behold our generals
In academic frock
Who lead our ranks o'er stepping-stone
And rhetoric stumbling block.
Their salient stalks our fuzzy brains
And ever hopes to find
Within each giddy, giggling head
The philosophic mind!
Oh, give them laurels, stars, and fame,
For such deserve their skills;
Indeed, we laud these names as those
Who scaled the Belgium hills!

CLASSES

While robots fly o'er England's sky
And Heyte's cannons bark,
We hide our hearts behind our minds
And whistle in the dark.

From class to class we plod along,
Await capitulation,

While rationalizing on the world
With youthful speculation.

Should our glib talk of stratagems,
Of Fourth Term and Big Three
Materialize from off our tongues,
Ah, World, what would you be?!

COLORS OF THE CLASS OF 1945
LAVENDER AND WHITE

CLAUDINE VIRGINIA ARNEY

Staunton, Virginia

*Candidate for Bachelor of Arts Degree
Bible*

We have been informed that "Claudie" is seriously contemplating donning the Navy Blue and joining the ranks of our alumnae who are serving in the WAVES. If her admirable plans materialize, we shall hail her success but condole our loss. Claudine has won for herself the reputation of being a highly conscientious and valuable student. A day student, she has held membership in that club for four years, as well as in the Y.W. and A.A.

"CLAUDIE"

JOAN DOROTHY BENNETT

Scarsdale, New York

*Candidate for Bachelor of Arts Degree
English*

"JOAN"

Beauteous Bennett—the cynosure of all eyes, the epitome of easy elegance—a semblance of whose poise we clumsy hopefuls have long tried in vain to cultivate! So bounteous are Joan's blessing that she has been graced with a charm and innate capability equal to her beauty. Indeed, this capability stands unquestioned, for Joan has continually amazed us with a strange combination of her knack for making honors and her gaily haphazard, blithesome manner! Having served as college marshal, Joan became chief marshal her junior year. And, as if this were not enough distinction, she has augmented the pulchritude of our beauty section consistently from year to year

MARY ALICE BRAND

Staunton, Virginia

*Candidate for Bachelor of Arts Degree
Bible*

For such a diminutive lass, "Allie's" ambitions are certainly king-size. Not content with perusing her texts for only four years, she intends to train for a church worker among young people during the next few winters. Nor does her initiative stop here, for Alice has lent her talent to both Music and Glee Clubs and has worked conscientiously as the day student representative on the Y. W. Cabinet during her senior year.

"ALLIE"

CARY RANDOLPH BRYAN

Columbia, South Carolina

*Candidate for Bachelor of Arts Degree
History*

"CAREW"

No one can remain unaware of "Carew's" scintillating presence at the Club, for there she invariably holds vocal predominance. And in a crowd, who but Cary could toss off such hilarious antics! Quite fitting is a T.N.T. personality to Cary, for as president of A.A., she has need of every atom of such vitality. Nor do her accomplishments end here. "Carew" has been active in dramatics, and on the Bluestocking and Campus Comments staffs, as well as having served as vice-president of the I.R.C. And search though we may, we have little hope of ever finding a comparable successor to "Carew's" melodic rendition of "Amen!"

MARION FRANCES BUCKEY

Union Bridge, Maryland

*Candidate for Bachelor of Arts Degree
Sociology*

Let us introduce "Dr. Babs Buckey," world traveler and renowned scholar. Midwinter weeks in Florida and high honors are an amazing, but veritable, combination for the frivolous Dr.! "Buck," as senior class president, will lead her eager followers to long anticipated sheepskins ere dawns that day of May 28. We are constantly amazed at "Buck's" incredible speed in accomplishing her tasks, no matter how staggering; in fact, so mindful is this mercurial enigma of every well-spent minute that she talks in her sleep lest a good minute slip idly by her!

"BUCK"

MARY AUGUSTA BURR

Claymont, Delaware

*Candidate for Bachelor of Arts Degree
History*

"GUS"

What have we here but "Gus"—our "Gus"—our lovable enigma! We explain even her most startling performances with the words: "Ah, that 'Gus!' She's a character!" And to illustrate these proverbial words we give you the example of her tedious trek all the way to Delaware to cast one vote for her idealized Dewey. A history scholar and president of the I.R.C., "Gus" is as revered as the Delphian Oracle by all her history-minded contemporaries. She has also served as Campus Comments columnist, associate editor of the Miscellany, and news editor of Campus Comments. Bound volumes of her works may be found on the second floor of the library.

ANNE WARREN CHURCHMAN

Staunton, Virginia

*Candidate for Bachelor of Arts Degree
Art*

Here we have another ingenious member of our prolific Churchman brood! This one is an artist whose talent is readily acknowledged by her delightful reproductions as art editor of the *Bluestocking* her junior year. "Warrenie" has taken a vital interest in both the Glee Club and Spanish Club, and, to supplement this, she is now serving as vice-president of the Day Student Club, as well as business manager of the *Campus Comments*. "Warrenie" and her dashes of subtle wit are blessed factors in any group.

"WARRENIE"

CHARLOTTE COHN
Princess Anne, Maryland

*Candidate for Bachelor of Arts Degree
Chemistry*

"CHARL"

With "Charl's" name we always associate an inexhaustible supply of energy and a long record of achievement. For two years she has served on the Victory Corps with characteristic efficiency. Having become chairman of the Y.W. Devotional Committee her junior year, Charlotte has since then progressed to president of the Cabinet, a position which she fills magnificently. As a senior, she has taken her place on the Student Council and Presidents' Forum, and has, in our opinion, displayed along with her capability an equal amount of continual friendliness. And add to this the fact that she appears in "Who's Who Among Students in American Universities and Colleges."

GLORY MAUDE CONARY

Minneapolis, Minnesota

*Candidate for Bachelor of Arts Degree
Sociology*

This "Yankee Doodle Dandy" came to us from Bennett Junior College, whereupon we, as true Southern ladies, found a tremendous spot in our hearts for her! "Glo" has taken an active interest in various campus clubs, with especial emphasis upon the Psych. Club, (to which we facetiously attribute all of her idiosyncrasies). We find it a nigh impossible task to keep up with "Glo"—her treks and peregrinations—and have concluded that, to really know her, one must keep in touch with the conductors between Staunton and Charlottesville!

"GLO"

HELEN FRANCES COOK
Fairmont, West Virginia

*Candidate for Bachelor of Arts Degree
Chemistry*

"COOKIE"

Few and far between, and equally awe-inspiring, are our scientific-minded seniors, and among these notables we rank "Cookie." She has been an interested member of both the Science and Biology Clubs her sophomore and junior years. In "Cookie" we hope some day to realize a great genius! As a freshman, she attended M. B. in the role of day student, participating in the Day Student Club; her sophomore year "Cookie" returned as a boarder, however, but retained an interest in her old status by serving on the day student committee of the Y.W. She has extended an interest and participation in other activities, such as the swimming varsity, I.R.C., and business staff of Campus Comments.

MARJORIE MAUDE CREASY

Gretna, Virginia

*Candidate for Bachelor of Arts Degree
Chemistry*

'Tis not an angel you see—but "Bubbles," one of our loveliest of lovelies and a living paradox to the Dumb-Blonde Theory! "Bubbles," amazing as it may seem, has pursued with avid interest the study of science and has participated actively in various science clubs, as well as having served as president of the Biology Club her junior year. She has also taken her place in the ranks of the Presidents' Forum as secretary of that organization. Indeed, we desperately hope that "Bubbles," in pursuing her studies, will some day devise a scientific method of transferring her piquant beauty to others less fortunate!

"BUBBLES"

ANNE KELLER DAUGHTREY

Suffolk, Virginia

*Candidate for Bachelor of Arts Degree
Spanish*

"DEE"

Why bother to read the funnies while there's "Dee" to entertain us? Here we have a lass who has long graced our gatherings, not only with her striking good looks, but also with her jovial chattering. "Dee's" forte is not solely confined to the world of fun and frolic, however, for she has been a continual participant in student activities, having served as chairman of the Friendship Committee, as college marshal, and as a member of the Y.W. Finance Committee during her freshman and sophomore years. Now a senior, rollicking "Dee" admirably fills the office of class secretary.

MARGARET BYRD EARLE

Elkins, West Virginia

*Candidate for Bachelor of Arts Degree
Psychology*

When West Virginia finally got a railroad leading to the outside world, "Mergie" hopped aboard in search of book learning, with Destination M.B.C.! Here as a sophomore she made her debut in the world of dramatics, a venture which was to continue actively through her junior and senior years. Becoming interested in psychology and its department, "Mergie" joined the erudite Psych. "Clubbers." We shall not forget her, for such abounding energy as hers, both on basketball court and in Club House jitterbugging, has yet to be matched!

"MARGIE"

ANNE HARRISON GARD

Grosse Point, Michigan

*Candidate for Bachelor of Arts Degree
French*

"GARDO"

"Don't fence me in," says "Gardo" who is here one year and gone the next. She has returned to the fold to graduate, however; and in that we triumphantly realize our gain. During her freshman and sophomore years she served on the Y.W. Cabinet, and, when a junior, fell heir to the momentous task of Bluestocking editorship. May we add that Gard, versatility personified, also has on her list of attributes the role of outstanding athlete.

BETTY JO GARDNER

Blacksburg, Virginia

*Candidate for Bachelor of Arts Degree
English*

If amusement is the order of the day, seek out "Beegie!" She has held the unrivaled title of "court jester" and class wit for four light-hearted years; and the thought of losing her brings us face to face with the impossible task of finding a successor comparable to the incomparable "Beegie"! Beauty, wit, and initiative have ushered her into the "Big Time." As a sophomore and junior, "Beegie" held the offices of social committeeman and class treasurer and, as a senior, epitomized her career with the position of house president and Student Council member.

"BEEGIE"

SALLY VIRGINIA GARRETT

Wolf Summit, West Virginia

*Candidate for Bachelor of Arts Degree
English*

"SALLY"

In Sally we find an admirable combination of efficiency and social mindedness, with a dash of joviality tossed in when needed. In taking a retrospective view of Sally's record, we discover that she has been among the most prominent in the club-joining group, having had membership in the Glee Club for four years, as well as having participated in the Psychology, Music, and Biology Clubs.

JANE WARD HARRELD

Oklahoma City, Oklahoma

*Candidate for Bachelor of Arts Degree
Spanish*

As the British love tea, so "Janie" loves coffee; indeed, hardly a midnight passes but bold fumes assail us, subtly announcing the customary coffee-brewing social hour in lower Fraser. A major and a minor in Spanish and French, she still manages to be an incessant Club-goer. Recently, however, her thoughts have turned to the gym; and ere long we expect to find her metamorphosed into a semi-professional badminton player. An irresistibly contagious laugh and a set of knitting needles herald the presence of "Janie."

"JANIE"

ERAH ELIZABETH HATTEN

Hampton, Virginia

*Candidate for Bachelor of Arts Degree
Art*

"ERAH"

Here we have Erah of the classic taste and artistic appreciation, whose happiest moments are those spent dabbling in paints. She has avidly pursued her interests and talent for three years as a member of the Art Club and has even performed in chapel with flourishing strokes upon her canvas. As side-lines Erah has participated in both the Dramatics and Spanish Clubs; but we shall especially remember her for her promptness—specifically, for her promptness in getting to exams!

CARMEN FULTON HAYES

Lakeland, Florida

*Candidate for Bachelor of Arts Degree
English*

"Hazy," our illustrious day student, joined our little clique as a freshman in '39, ventured off for a couple of years, and returned to enter the sophomore class in '42. After this bit of vacillation, she settled down to make a name for herself, admirably undertaken and successfully accomplished. Carmen represented the day students on the Y.W. Cabinet her junior year and the following year became vice-president of the organization. Also as a senior, she is serving as chairman of the World Fellowship Committee and as a member of the Spanish Club.

"HAZY"

ANN ELIZABETH JACKSON

Drakes Branch, Virginia

*Candidate for Bachelor of Arts Degree
Music*

"JACKSON"

Efficiency expert, Miss Jackson can, and will, do almost anything. Inevitably, she gets there "fustest" with the "mostest" ideas. With characteristic spirit "Jackson" has undertaken war stamp drives, turning out success after success, money and more money. Music, perhaps, is her real forte; and, as a mainstay in both the Glee Club and Music Club, "Jackson" has unconsciously spread her jovial air and artist's touch throughout the whole department. As if this were not enough distinction, she has become treasurer of the senior class and has taken her place in the ranks of the Presidents' Forum.

MARJORIE LEE KINCAID

Bluefield, West Virginia

*Candidate for Bachelor of Arts Degree
Music*

Course by course, meal by meal, day by day—she eats but grows no fatter! Oh, unjust, uncompromising world! A lucky day it was for us that "Kin" joined our ranks as a junior transfer from Marion College, soon to become trade-marked by her distinctive sense of humor, provocative and sharp as a razor's edge. As an officer in the Music Club, "Kin" warbles from morn 'til night in profuse strains of unpremeditated art, jesting and trilling the scales by turns.

"KIN"

CELIA NELSON LACY

Fredericksburg, Virginia

*Candidate for Bachelor of Arts Degree
English*

"LACE"

Unanimously we dub "Lace" with that enviable title of "the girl what's got what it takes," which, translated into idiomatic English, means "the lass with the sparkle in her personality!" Of late, however, another sparkle has settled itself conspicuously on that finger of the left hand which invariably evokes from us wistful aspirations and tender sighs. As a sophomore, "Lace" became treasurer of her class; while this year she has miraculously held sway in student activities, between sprints and dashes to Washington and Fredericksburg, as vice-president of the senior class.

MARGARET ALEXANDER McBRYDE

Fort Defiance, Virginia

*Candidate for Bachelor of Arts Degree
Mathematics*

A watch-bird told us the "McGee" is planning tall and exciting things for her future. Before her plans for a rose-covered cottage materialize, however, she purports to apply herself diligently for the next year or two at an excellent job which awaits her in Long Island. "McGee's" accomplishments on the home front have been no less interesting, for she has not only participated in the Spanish Club and Glee Club, but has served admirably on the business staff of Campus Comments.

"McGEE"

MARIAN ELIZABETH MCBURNEY
Welsh, Louisiana

*Candidate for Bachelor of Arts Degree
Biology*

"MAC"

In this lovely auburn-haired lass of the big, big eyes we have an amazing display of versatility. If for no other reason, we would applaud "Mac" for being the only accelerated member of the senior class. But, indeed, there are other reasons. She has at her disposal a masterful touch in everything she undertakes, whether it be activities in the French Club or eight hour spans in the biology lab, surveying her projects with an expert eye or whipping up a tomato paste for her pet flies! As a senior, "Mac" has taken over the presidency of the Biology Club in addition to her over-load of work. And now we will confide in you that, judging from her mail box and 'phone calls, she is undoubtedly a great favorite with the masculine contingent!

LOUISE McLEAN

Quanah, Texas

*Candidate for Bachelor of Arts Degree
Music*

No obstacle is too great to keep "Lou" from her music lessons, for everyday she daringly leaps a wall in order to heed the call of Chopin. Her afternoons are likewise occupied with this melodic pastime by her prominent participation in both the Music and Glee Clubs. As if to prove her unfathomable devotion to this art, she plans some day to donate a tunnel leading from McClung to the Music Building!

"LOU"

MARGARET ELIZABETH MUELLER
Arlington, Virginia

*Candidate for Bachelor of Arts Degree
Psychology*

"BETSY"

With Betsy's arrival at M.B.C. from Arlington Hall her sophomore year, we found our days suddenly brightened by the philosophic wit of Touchstone which has since become her distinctive claim to fame. To Betsy the world is a great, rosy sphere; she surveys difficulties with a wise cock of the head, while we spout oaths and tear our hair. No less has she taken in her stride innumerable activities, having worked as one of the phantom powers of the psych. department, feature editor of the *Miscellany*, freshman adviser, and committeeman on the World Fellowship branch of the Y.W. An amazing creature—Betsy!

BETTY LEE NEISLER
Kings Mountain, North Carolina

*Candidate for Bachelor of Arts Degree
Speech*

With self-righteous pride we present "Butch," our own Sarah Bernhardt. Long may her name remain a cherished symbol of the drama! But why dawdle we here upon this lone phase of her innumerable accomplishments while still greater laurels of prestige and honor surround her! As class secretary and participant on the chapel program committee her sophomore and junior years, "Butch" blazed the way to her present illustrious reputation as student adviser of the Victory Corps, vice-president of the Student Government, and house president—all undertaken with the same incomparable capability and awe inspiring efficiency. Indeed, 'twas only our expectation that "Butch" should grace the annals of "Who's Who Among Students of American Universities and Colleges."

"BUTCH"

NANCY ELIZABETH NETTLETON

Shelton, Connecticut

*Candidate for Bachelor of Arts Degree
French*

"NETT"

"Nett" is one of those amazing individuals who manages to make frequent and lengthy visits to the Club (socializing, chatting, and bridging for hours) and who at the same time always contrive some means of maintaining honors and high honors. Would that we knew her formula! "Nett" has lent her effervescence to the Glee Club for three years, and has long participated in the French Club, whose vice-presidency she has masterfully filled during her senior year.

JULIA WILSON PANCAKE

Staunton, Virginia

*Candidate for Bachelor of Arts Degree
Speech*

So versatile, so accomplished, so capable, so nearly possessed of every imaginable attribute is "Tee" that we find ourselves wearily gathering our frayed wits together in an effort to do her name and record justice. For four years she has climbed from office to office in the Day Student Club to finally serve as president her senior year. As a junior, "Tee," the business manager of Campus Comments, raced the dead-line with clock-like precision from week to week. 'Twould be an unpardonable sin to omit mention of "Tee's" pre-eminence in the drama; nor can we overlook the indispensable part she has played as a member of both Student Council and Presidents' Forum.

"TEE"

LOUISE IRENE PLAGE
River Edge, New Jersey

*Candidate for Bachelor of Arts Degree
Psychology*

"LIZ"

Scene: M. B. C., Time: 1945, upon the steep hills of Staunton where we find "Liz" hobbling along with one bad knee! And, indeed a more deplorable accident could not have befallen her, for "Liz" is a devotee of athletics, a Monogram Club member, and a participant on varsity teams. Her interests have extended also to various clubs, as the Dramatic and Art Clubs; and in her we have another of the psychology intelligentsia. To be sure, if there is anything "Liz" hasn't done here, 'tis only because she hasn't dared, yet.

ELIZABETH RIVES POLLARD

Winston-Salem, North Carolina

*Candidate for Bachelor of Arts Degree
Spanish*

Behold, our phantom of delight, our paragon of loveliness! To list the honors "Revo's" beauty has won for her would indeed be an exhausting task. Par example, she has fared forth as college representative to the Virginia Apple Festival, has smiled from the pages of campus beauties for four years, and has served as class marshal, all with a characteristic lightheartedness and refreshing nonchalance. Now a senior, Rives is hailed not only as a May Court participant and Chief Marshal, but also as a member of the A.A. Council, making an admirable combination of beauty and brawn!

"REVO"

BEVERLY ALLEN RHODES

Staunton, Virginia

*Candidate for Bachelor of Arts Degree
French*

"BEV"

Whosoever cherishes an interest in sports will instinctively extend that same interest toward "Bev," who commands every admiring gaze whether she be on horseback or languishing at the Club with knitting needles in hand. Her performances in swimming pageants, basketball, riding, and a varied conglomeration of other sports, have shown us that her forte is unlimited in the sports world—a fact which is re-emphasized by her membership on the A.A. Council for the past two years, as well as by her place in the Monogram Club. As a junior, "Bev" held down the job of assistant business manager of the Bluestocking, and, we enviously admit, has also been blessed twofold with an academic capacity which she has so aptly exercised in the role of French Club president.

MARGARET McNEELY ROBERTS
Radford, Virginia

*Candidate for Bachelor of Arts Degree
Mathematics*

Here we have "Paducah," the proverbial, but rare, brainy-beauty—a math. major in this case, terribly bright but lovable! Various talents, such as the drama, knitting, and sports, appear in her repertoire of accomplishments. As student treasurer, "Paducah" has been efficient and amazingly pleasant at such a tedious job, always making us feel as if we were not really handing over all our worldly goods. And to reaffirm "Paducah" as a solid character, we add that on every conceivable occasion she sports corsages offered by adoring males!

"PADUCAH"

NANCY FLEMING ROYCROFT

Durham, North Carolina

*Candidate for Bachelor of Arts Degree
Spanish*

"ROY"

To us "Roy" is a constant source of wonderment, for she has mastered the enviable art of combining work and play, of mixing long weekends with honors, while still finding time to grace the Club with a merry song and dance! In high-lighting the serious efficiency of her personality, "Roy" showed her capability as business manager of the Miscellany her junior year. Her ability widely recognized, she soon became a member of the Student Council and a house president. Of such versatility as "Roy's" we expect great things!

CAROL MANLOVE SAULSBURY

Hanover, Pennsylvania

*Candidate for Bachelor of Arts Degree
Sociology*

Let us present the speaker of the house, our beloved bombastic filibuster—"Comrade" Saulsbury—who has begun every illustrious argument as far back as we can recall with the immortal words: "Roosevelt! Bah!!" Her oratorical powers, as well as her brilliant natural beauty, comprise only a portion of "Comrade's" attributes; for she has twice been featured in the beauty section, has served as college marshal, and will soon brighten the May Court as an attendant. To our continual wonderment, Carol also manages to retain her honors even while peregrinating gaily from Alabama to New York to Hanover!

"COMRADE"

JANE ELLEN SCOTT

Richmond, Virginia

*Candidate for Bachelor of Arts Degree
Psychology*

"SCOTTIE"

We unconsciously brighten up at the mention of "Scottie," our generally proclaimed Wit. In truth, there is scarcely a member of the Club-going set who has not enjoyed the rare sharpness of this amazing personality. Such a frequenter of the Club is "Scottie," in fact, that she has been appointed a member of the Club House Committee. Her days are also pervaded with visits to the psych. department and participation in the Psych. Club. When "Scottie's" presence is lacking at the Club, she may be found lending an admirable alto to the Chapel Choir or the Glee Club.

ANNE NOBLE SIMS

Portland, Maine

*Candidate for Bachelor of Arts Degree
Sociology*

"Oh, give us room—lots of room" in order to do justice to the prolific achievements of "Simsie" whose college career has been a symbol and incentive to all struggling aspirants. As a sophomore, she filled the office of class vice-presidency; when a junior, she was hailed by her universal popularity as secretary of the Student Government and, now a senior, she has won the unprecedented distinction of being both Student Government President and Queen of the May, as well as chairman of the Presidents' Forum! All these honors, and more, have been heaped upon "Simsie" who has accepted each one with her own charming naturalness. Her laurels have been won magnificently and will be remembered by us, as well as kept alive in the annals of "Who's Who Among Students in American Universities and Colleges."

"SIMSIE"

MARGARET MONTGOMERY SLAVEN
Williamson, West Virginia

*Candidate for Bachelor of Arts Degree
Music*

"MARGE"

Our musical-minded Margaret can warble a tune, lead a chorus, or play the piano, all with admirable skill. It is therefore natural that she should have been such an interested participant in both the Glee Club and Music Club for the past several years. Margaret's activities have also extended to The Nook, which has claimed much of her time and where she may be seen practically every night, either working or socializing.

SALLY MARIE SMITH

Glen Rock, New Jersey

*Candidate for Bachelor of Arts Degree
Speech*

This is the girl who is putting Glen Rock on the map with her dramatic abilities. Plays graced by the successful comedy of "Smitty" are better plays! Both presiding and participating in the sports world, she serves as vice-president of the A.A. while indulging in many and varied sports. To us, "Smitty" looks like Judy Garland, and to Bugs Bunny, her talent for making faces is dangerous competition. To say "Adieu" to one of our most dearly beloved will leave us dismal indeed.

"SMITTY"

JULIE WORTH SPRUNT
Wilmington, North Carolina

*Candidate for Bachelor of Arts Degree
Psychology*

"WORTHLESS"

Julie is among our "right honorable" eminents whose accomplishments come under the heading of "Interminable." Moreover, we are constantly bewildered by that jovial spirit she manages to sport even in the midst of the most harassing situations. Small wonder that "Worthless" is always in demand! As a freshman and sophomore she served on the Y.W. Cabinet, and displayed her versatility the following year by taking her place in the ranks of the A.A. Council. As a senior she has enhanced the impressiveness of her foregone career with the positions of Student Council member and house president; and finally we give you "Worthless" (paradoxically to her nickname) as one of the illustrious "Who's Who Among Students of American Universities and Colleges."

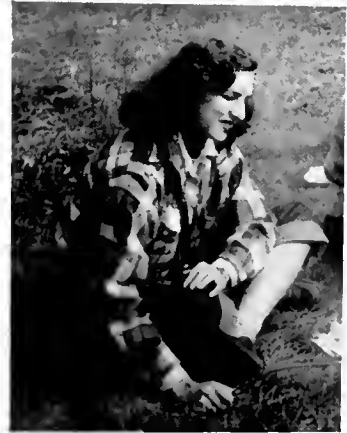

BESSIE FARTHING STALLINGS

Durham, North Carolina

*Candidate for Bachelor of Arts Degree
Spanish*

"Bess," of the exotic beauty and provocative voice, has always lent her definite charm to every scene—at Club House, classroom, or what-have-you. With a bit of wit and frivolity for every occasion, she has traveled far in the ranks of achievement, having served as class secretary and business manager of the Miscellany her junior year. 'Tis truly a staggering task to cover the entire scope of Bess' accomplishments as a senior; for she has served on the Student Council and Presidents' Forum, as chairman of the Freshman Advisers, and as Fraser house president—quite a yearful even for our easy-going "Bess!"

"BESS"

FRANCES TULLIS
Montgomery, Alabama

*Candidate for Bachelor of Arts Degree
Sociology*

"TUL"

Now, we introduce "Tul," the proverbial streak of greased lightning. After serving on the Student Council as a freshman and sophomore, "Tul" enjoyed herself for a carefree year before returning to the Council bench, a refreshed and broadened senior. In addition to these prolific accomplishments, our speed demon has also served as vice-president of the junior class; and, indeed, has proved herself so indispensable that we wish it were possible to draft her for a few years of graduate work.

ANN CARTER WHITEHEAD

Lovington, Virginia

*Candidate for Bachelor of Arts Degree
Spanish*

So numerous have been Ann's interests and activities that we find ourselves unconsciously going through the process of elimination in order to make room for the highlights. For four years "Whitie" has been among the I.R.C. intellectuals, finally serving as the club's convention delegate. Her interests extend no less to the Glee Club. And this above all—honors and high honors every year are her claim to fame! And now she has been elected to the Mary Baldwin Honor Society. Though it is unnecessary to grace her name more, we will add that Ann has also been an admirable athlete.

"WHITIE"

DOROTHY ELOISE WHITMORE
Natural Bridge, Virginia

*Candidate for Bachelor of Arts Degree
Sociology*

"E—LOIS"

Eloise, we are told, brightened Flora Macdonald College in North Carolina for two years before projecting herself into Mary Baldwin's gay scene, where, though second-hand, she is still a brightening element, and a welcome one, too! Her reliable roommates vow that she is able to read a 500 page book in 30 minutes. And what's more, Eloise is pretty! Ah, to say that we are envious is too obvious to mention!

ACTIVITIES

To merely give our hearts to hopes
Will never fell the foe,
Nor will it bring the Limes down
On bombard Tokyo.
We find that hands work well with hearts
When bandages to roll
And bonds to buy with aims pushed high.
Point toward the cherished goal.
And oft 'tis sweet to contemplate
The innate pow'r that lies
Within such little things from which
A Brave, New World shall rise.

THE STUDENT GOVERNMENT ASSOCIATION

ANNE SIMS
President

THE PRESIDENT SPEAKS

Student Government is a privilege and a responsibility extended to every student enrolled at Mary Baldwin. It is a privilege in that it is democratic in spirit. It offers an opportunity for changes and advancement that come as other phases of college life change. It furthers the attitude of cooperation and respect that exists between faculty, administration, and students. It is a responsibility in that each individual student employs personal honor to uphold the rules and regulations so necessary to maintain order and cooperation among a group of people living closely together.

Student Government is a positive force. In emphasizing its basic laws of honor and individual responsibility, it impresses upon each girl the fundamentals that are necessary for her in order that she may always lead a happy life and one helpful to society at large.

The aim of Student Government is not merely to control discipline, but to reach and promote the most basic ideal, the ideal of personal honor.

THE Y. W. C. A.

CHARLOTTE COHN
President

THE PRESIDENT SPEAKS

Since the fall of 1894 the Young Women's Christian Association has been a student organization here, guiding the spiritual, intellectual and social life of the students.

Through the Sunday Vesper services, weekly dormitory devotionals, and a Monday morning watch the spiritual life is emphasized; there are special services for Installation, at Thanksgiving, Christmas, and Easter. During the year the Y.W.C.A. sponsors a Religious Emphasis Week.

The students regularly visit the V.S.D.B., the Betty Bickle Home for Old Ladies and the Western State Hospital. The "Y" makes contributions to many local and national organizations, such as the day nurseries, Woodrow Wilson General Hospital, Stillman Institute, and the World Student Service Fund. Also aid is given to an Egyptian girl and to an English girl.

Through the Big-Sister Little-Sister program the new student is helped to feel more at home on the campus. During exams Peanut Week is held; each girl is given a "peanut" to whom she secretly gives a small gift each day. At a concluding party the "peanut" discovers the identity of her "shell." The "Nook," a canteen in the gym for the recreation, relaxation, and refreshments of the students, is new project this year. Its profits are added to the Y.W.C.A. scholarship fund in order that an annual \$50 scholarship may be given.

Through this fellowship of worship, service, and play the student's life is integrated into a fuller Christian life.

Here we have in the form of THE BLUESTOCKING the results of our most earnest and interested endeavor toward an annual publication. Together we have worked to the tune of typewriters clicking, scissors snipping, and our frayed brains' feeble knock—but ever with a love of our work, a love of our subject (and a love of the implied significance that we are at last juniors!).

The Editor and Business Manager of THE BLUESTOCKING are selected by the Student Body, who in turn choose their staff with the assistance of Miss Fannie Strauss, our Faculty Adviser. The entire staff is comprised of junior classmen, with the exception of one representative from both the freshman and sophomore classes.

Miss Fannie has won our admiration, appreciation—and hearts—with her ever jovial supervision which has many a time rescued us from the depths of desperation.

The first issue of *The Miscellany*, published in 1899, more closely resembled a newspaper than a magazine in content and appearance, but its objectives were essentially then what they are now.

The year 1901 saw a change in the style, for in December it appeared for the first time as a magazine. It still retained features characteristic of the old form, however. With the changes in the academic and social life of Mary Baldwin other changes occurred in the make-up and style: The addition of a cover design and the appearance of illustrations. Additional improvements were made during the ensuing years and in 1933 *The Miscellany* became the magazine it is today.

Changes will necessarily continue to take place in the future, yet the guiding principles of *The Miscellany* have been and will always be identical with those of the past: to encourage literary works, to increase campus interest, and to grow forever upward and onward along with the college it represents.

Campus Comments, the weekly newspaper of the College, is published in close cooperation with the Journalism classes, and seeks to reflect campus life in all its phases.

A student publication, the newspaper's editor and business manager are elected by the Student Body, and they, in turn, appoint students to various staff positions after their writing ability and interest in journalism have been demonstrated.

Dr. Mary Swan Carroll, as faculty adviser, lends immeasurable assistance to the student staff with her valuable advice. Colorful pictures, taken by the staff photographer, Dr. Lillian Thomsen, add amusing and informative "cuts" to each edition of *Campus Comments*.

The second semester of the school year 1942-43 brought a new organization to Mary Baldwin. The M.B.V.C. came into being. It replaced the War Activities Committee and became the clearing house and coordination center for all war activities on the campus. Faculty members selected two representatives from each class to the organization, and Miss Catherine Mims became the faculty adviser.

The various phases of work headed by the M.B.V.C. were many, including: Red Cross bandage rolling, publicity by newspapers and posters, collecting salvage, Red Cross War Fund Drive, and most important, the sale of bonds and stamps.

In September of 1943 Miss Mary Humphreys became the faculty adviser and has served in that capacity since then.

In addition to special projects which the "Corps" has undertaken in cooperation with National War Loan Drives, it has tried in many other ways to aid in the war effort. One of the most recent projects is the adoption of a war orphan of one of our Allied Nations.

The life of the M.B.V.C. has been an active one. It is the hope of all that its service will continue as long as there is a need for it. Above all, it is hoped that an early Allied Victory will make its life a short one.

The Mary Baldwin Honor Society, founded in 1932, has as its purpose the promotion and recognition of scholarship. The College, always ready to foster academic excellence, is pleased to honor those who have achieved such distinction and hopes that the Society will prove to be a challenge and an inspiration to all students of the institution. Members of the Honor Society are chosen by the faculty.

The graduates of the *University Course* of the Augusta Female Seminary and the Mary Baldwin Seminary were elected to the Honor Society in May 1942. Many of these alumnae were initiated into the Society at the Centennial Celebration in June of the year, and others at later meetings of the Society.

During the school year elections to the Society are made at the end of each semester.

ALGERON SYDNEY SULLIVAN AWARD

The New York Southern Society, in order to perpetuate the memory of Algernon Sydney Sullivan, through whose efforts the Society was founded, in such a form that it shall be most expressive of his character, established an award to be made annually, in certain Southern colleges, to one member of the graduating class of each institution selected. Each school may present this award to one other person, not a member of the student body, in whom accomplishment and disinterested service are outstanding, and who shall have some interest in, association with, or relation to said institution.

At the 1944 Commencement this award was presented to Josephine Hannah, President of the Student Government Association.

ATHLETICS

By feats of Patton's fightin' Third
We measure teamwork skill;
McPhuliffe's valiant answer, "Nuts!",
Exemplifies our will.

And though our glorious field-day fades
Before the battle's fame,
The fruits of triumph ere are sweet,
No matter what the game.

So, down the field with hockey sticks,
My hearties - Clear the way!
And think the while how greater teams
March toward Berlin today!

HOCKEY

VARSITY TEAM

Bunny Armistead, Jean Bailey, Cary Bryan (not pictured), Joan Craig, Ronny Daniel, Mary Echols, Dayve Hinman, Peggy Nairn, Mad Richardson, Marian Seitz (not pictured), Conny Small

The hockey season introduces the athletic program with a bang—sticks crack-
ing, teeth flying, and shins indented. At the end of the year a cup is awarded to
the class team which has proved itself to be composed of the fiercest motor-
morons. Hockey is one of the major sports on campus—or (as Miss Appleby
says) a major calamity!

THE BLUESTOCKING

BASKETBALL

TEAM CAPTAINS

Cape Armistead, Betsy Aycock, Jean Bailey, Cary Bryan, Ronny Daniel, Nancy Howe, Peggy Nairn, Mad Richardson

We all can't be on the winning team—how true. This is proved so well by the seven losing dorm and three losing class teams! We watch the faculty try to play the seniors and successfully show that age means nothing in this game—in fact, the older the better. A plaque is awarded to the winning dorm team, a cup to the winning class team—and nothing to the faculty—if they win.

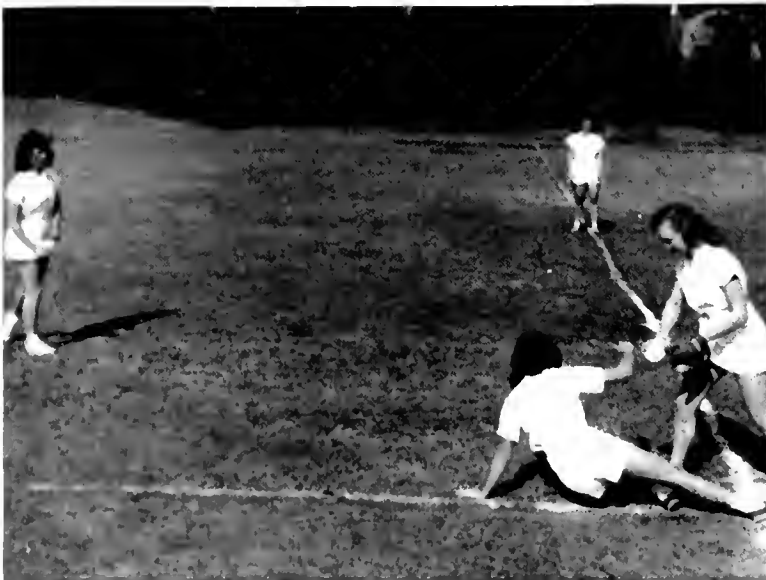

BASEBALL

VARSITY TEAM

Bunny Armistead, Jean Bailey, Miriam Buckles, Ronny Daniel, Nancy Howe,
Nancy Nettleton, Mad Richardson, Marian Seitz, Ann Whitehead

Although we have very few Lou Gehrigs and Joe Dimagios, we still claim a very active baseball season. It must be admitted, however, that the faculty makes us look as if we were bat boys.

SWIMMING

VARSITY TEAM

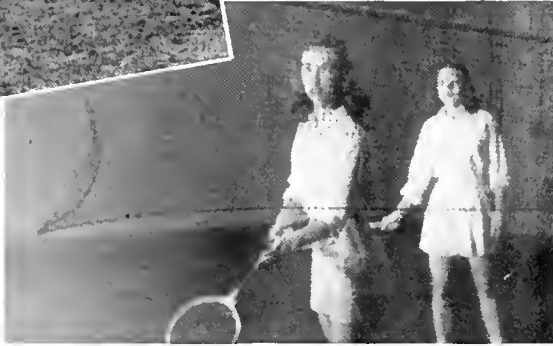

Joan Moran, Paula Rupe, Helen Kinser, Betsy Mueller, Helen Frances Cook,
Babs Bixler, Peggy Black (not pictured)

If you can't swim—you'll soon learn with the war cry of "10 laps!" ringing in your ears. This sport holds full sway all year in the gym pool. The fall brings a swimming meet while the spring anticipates a pageant. The class winning the most events in the meet is awarded a cup.

MINOR SPORTS

The country club golf course is our pride and joy, even though so few of us get past the third hole. The theme song of M. B. C. girls on the course is "Replant ye the turf." There is always a hard fight in the spring tournament, however, proving that golf has a prominent place in sports activity.

Badminton has proved its popularity even to the less athletic girls. The gym is always full of these "bird beaters." It is a dainty game for every lady. This sport too has its tournament which attracts much attention.

M. B. C. has an abundance of apples but few William Tells. Almost everyone at one time or another succumbs to this art and all seem to like it. The spring tournament is of great interest.

MINOR SPORTS

Riding affords one of the greatest opportunities for seeing the Virginia countryside. In the spring, rides are taken at Ingleside and at the apple orchard.

Volleyball is a new comer to the athletic program but already boasts many followers. This sport favors the "tall gals" and the "leaping lenas"; it is popular with all and, though a minor sport, is the center of avid interest.

The athletic program places much emphasis on dancing by requiring all students to have one semester. It offers such types as folk, modern, and ballet. These classes along with the advanced classes are given full recognition on May Day.

MINOR SPORTS

Ping Pong, though not a strenuous sport, is none the less popular. It is especially prevalent during exam time as a tonic for frayed nerves.

Pool is one game over which the faculty and students regularly come to blows. One can find a game in progress at any time of the day or night. Tradition has set the precedent that the students let faculty members win.

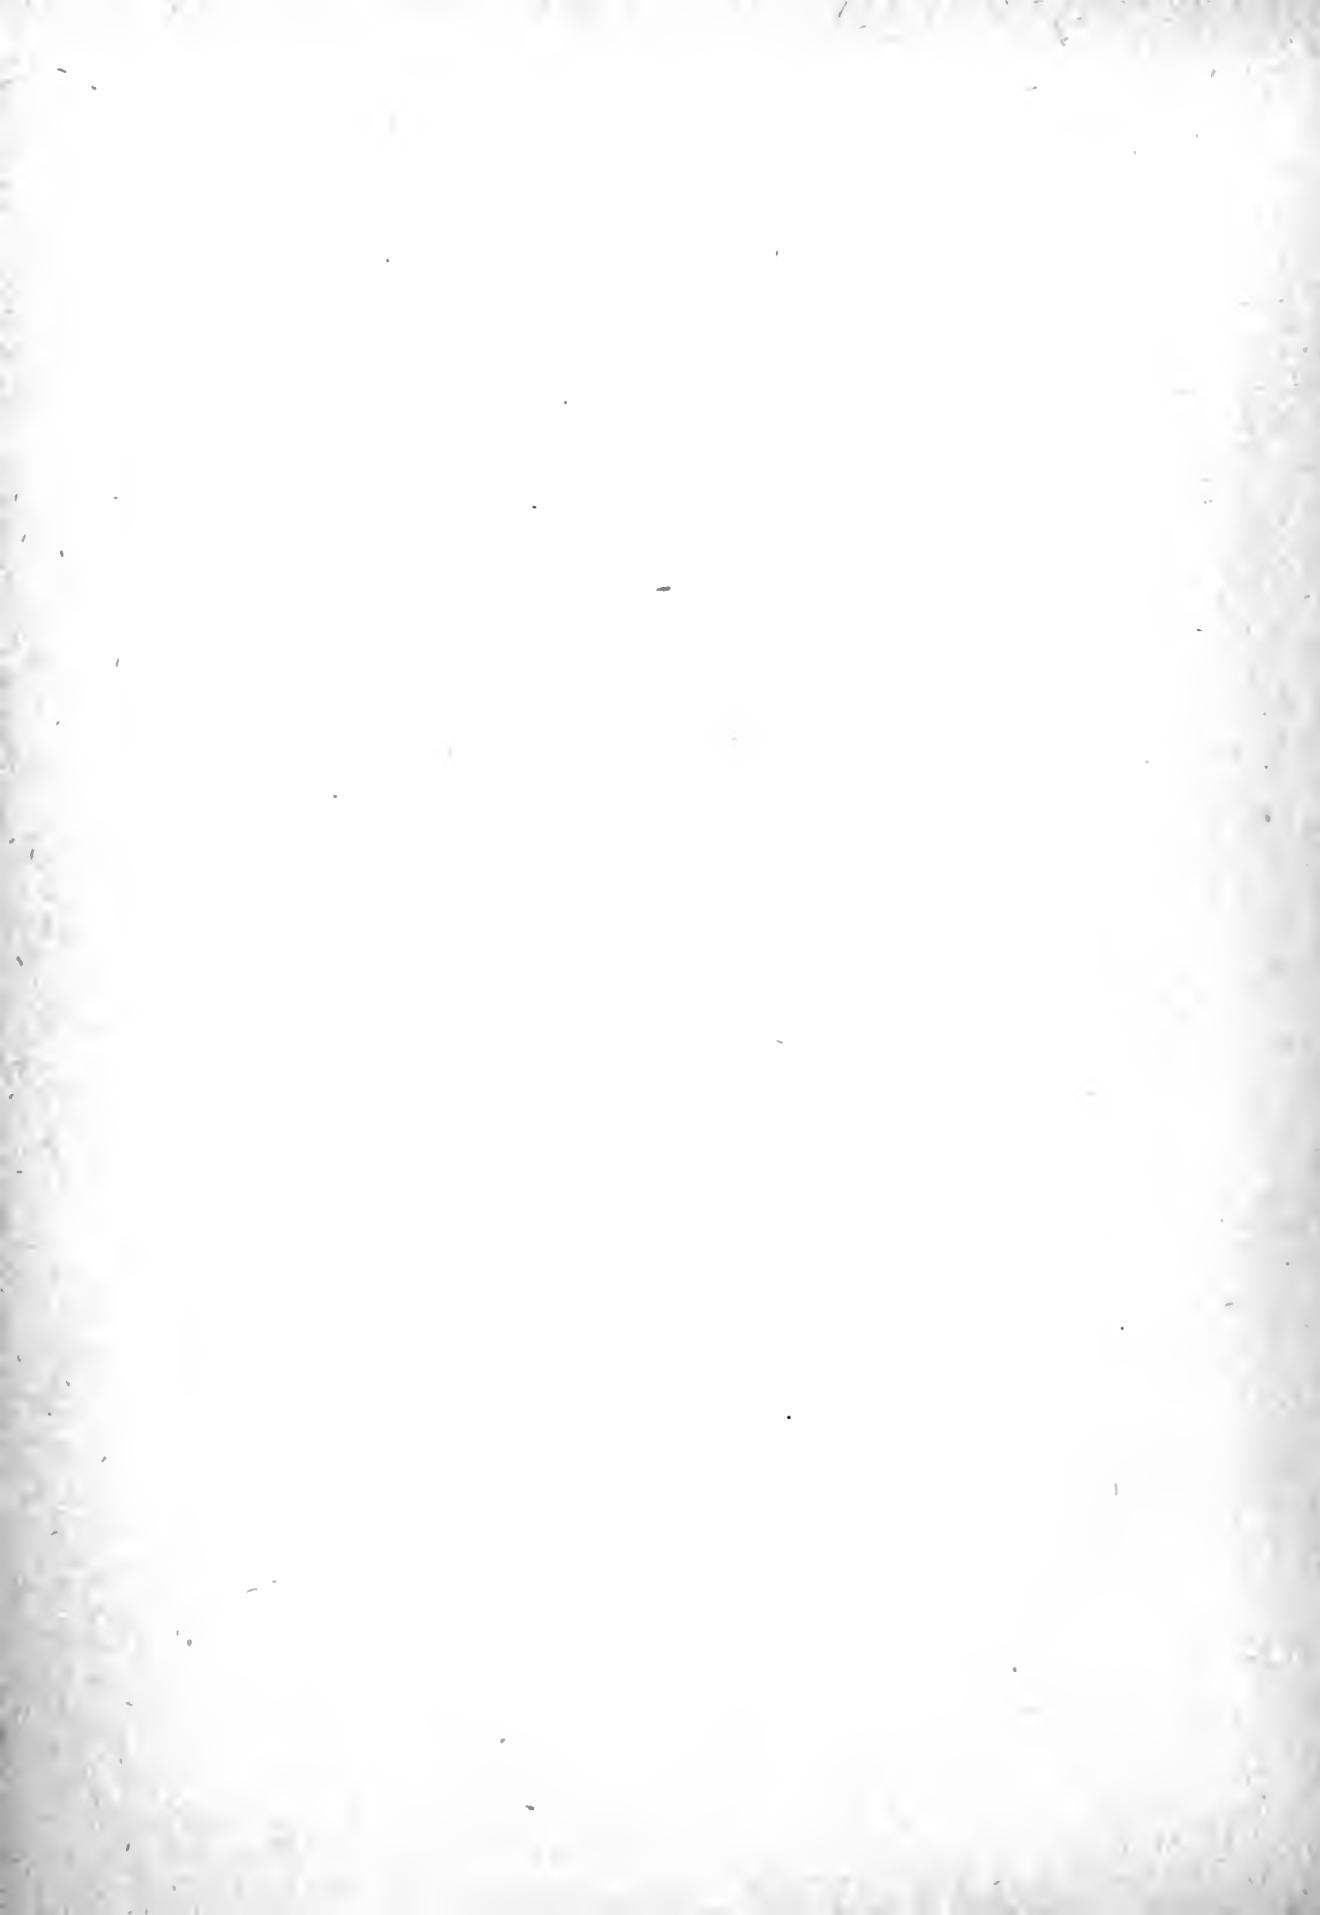

Although tennis is classed as a minor sport, it is of major significance to all those who play. Interest is centered around the tennis "ladder" in the fall and the tournament in the spring, to say nothing of the cup awarded to the tournament champion.

FEATURES

Upon ensuing pages dwell
Such ladies of delight,
Such paragons of loveliness
As ever charmed the sight.
At home we call them cover girls;
Abroad, they boost morale,
And typify "the-girl-back-home"
In many a strange locale.
And oft their lovely heads are filled
With blissful exultation
When leaves and furloughs come at last
To banish consternation.

FREDRIC MARCH
Currently Starring in "A Bell for Adano"

Proudly we feature the campus beauties who have been chosen by popular vote. In accordance with the decision of our judge, Fredric March, star of stage and screen, we have ranked in the order of his selection numbers one through four. The remaining beauties have been arranged in sequence of their classes.

LYNCHBURG ENGRAVED ANNUALS ARE
BUILT UPON YEARS OF EXPERIENCE
AS SPECIALISTS IN THE FIELD OF
SCHOOL PUBLICATIONS

IN successfully fulfilling the requirements of the modern College Annual Staff we have combined a comprehensive and systematic servicing program with that high standard of quality so essential in the production of fine yearbooks. Lynchburg engraved annuals are built by an organization specializing on school annuals exclusively, thereby assuring each staff of the personal and intelligent assistance so necessary in the planning and designing of a truly satisfactory book.

Builders of Better Annuals

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
